## KALASAGAR 2020 Annual Art Festival

*“As the Sun colours flowers, so does Art colours life”*

- **John Lubbock**

After the two weeks' serious academic exercise, it was the time for all to relax, rapture and rejuvenate. With a pack of dance, craft and music virtual Kalasagar 2020 offered a plethora of activities for Sagarians. Paper craft, vocal music, dance, craft work, foil painting, dried flower craft, paper mache and lamp making were the main highlights of vibrant annual festival. This four-days creative upsurge motivated the children to keep up the spirit of creativity, appreciating their novice accomplishments and creations. The students participated actively, tasting the flavour of Indian culture and heritage.

**'Music soothes the body and soul; it is the ecstasy of life.'  
Vocal Music Classes by Mr. Prem Narayan Upadhyay.**

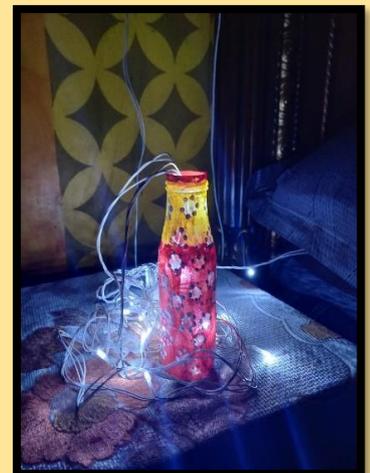

**Mr. Lakshay Sharma and Ms. Dipa Chaudhury conducted Dance classes.**

**Biggest lesson dance has trained me is Discipline. From an early age I have learned to listen and respect my educators, and also to self-discipline myself. For example, when a teacher gives me a correction, I must apply that correction. As only you have the power to point your foot or straighten your leg completely. Most things in dance require constant attention.**

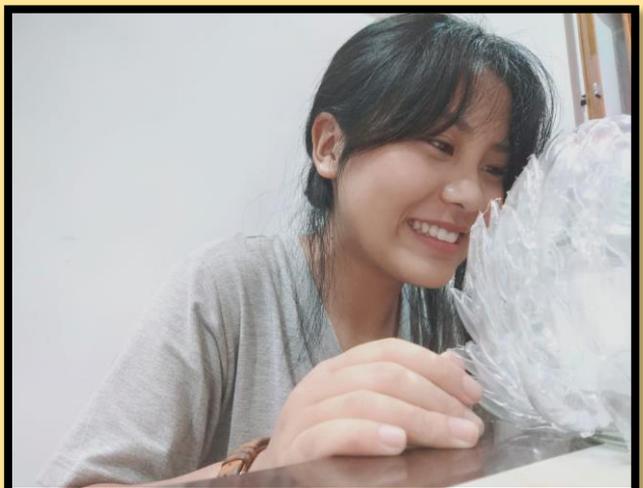

**Dance has also been a great stress reliever. It has taught me so much and has shaped who I am as a person.**

**- Shubhen Chauhan**

**“Art is for everybody. I became an art teacher because I believed that I could inspire young minds to produce their own lively master piece.”**

**- Ajay Singh Negi**

**Mr. Ajay S Negi,  
Ms. Amarjyot Kaur,  
Mr. Parvesh Chauhan,  
Ms. Priyadarshini Chowgule  
and  
Ms. Sheelu Sati conducted  
different Craft Classes.**

## WHAT IF...

What if I was a poem?  
My words flowing from  
the bottom of ocean's  
lips  
Taking shelter, crawling  
beneath  
The shadows of a  
deserted land.  
What if I was a thought  
cringing and flinching,  
seeking for existence  
In a conflict-driven  
chaotic world.
