Quote of the Week:

”

“Education is not preparation for life; education is life itself.”
- John Dewey

SEAMLESS REOPENING

“Innovation is the ability to see change as an opportunity – not a threat.” – Steve Jobs

Armed with experience, awareness and knowledge that the year 2020 taught us, the Sagarians resumed their online classes after a long and relaxing Summer Vacation. The ease with which Sagarians fell into the schedule of daily classes, activities and assignments reinforces our belief that we have emerged stronger, wiser and better prepared. Though the fresh stint of Lockdowns did halt our Progressive Student Development plans, it did nothing to stop us.

The Online Classes have resumed with full force, Class Assemblies are taking place every week, Round Square and other International Events are gathering momentum. The newest feathers on the cap being the addition of Junior and Senior School Assemblies every week on a rotational basis to encourage Student participation, provide Creative opportunities and create Public Speaking opportunities for our students.

The Gyansagar Portal has been constantly evolving since its inception last year. The most significant additions are the Weekly Reports being sent to parents via email informing about student's weekly attendance and performance in the Comprehensive Subject Assignment. Last, but certainly not the least, Library periods have been introduced in the Academic schedule to foster a culture of Reading among the students.

Dear Parents / Guardians,

Greetings!

The purpose of this email is to apprise you about your ward's attendance to online classes and the work submission status during the week.

INHALE CALM. EXHALE STRESS.

*“Yoga is invigoration in relaxation. Freedom in routine. Confidence through self-control.
Energy within and energy without.” - Ymber Delecto*

Yoga is an integral part of India’s ancient culture and heritage. The whole world acknowledges its credentials! We, at The Sagar School, appreciate and endorse this holistic approach of health and well-being by inculcating Yoga classes for student. International Yoga Day was celebrated by the students and the teachers with their demonstration of both sitting and standing asanas.

THE CAMPUS MISSES YOU TOO!

*Because we couldn't come back to school,
Where our hearts lie
among the ethereal blues and the echoing greens;
Sometimes, we live the memories
And sometimes, the photographs.*
