# EPIC ADVENTURES OF OUR EDUCATIONAL EXCURSION! CLASS IX

Our educational tour commenced with a visit to Amritsar. We began our journey with a sombre yet enlightening visit to Jallianwala Bagh, followed by the serene ambiance of the Golden Temple. Later, we witnessed the patriotic fervour at the Wagah Border. In McLeod Ganj, we indulged in a delightful shopping spree at Main Square market before embarking on an adventurous trek to Triund Hills. Upon reaching the base camp, we bonded over a lively bonfire session. The following day was filled with exhilarating snow activities at the snow point. We engaged in a spirited snowball fight and relished the pristine beauty of the surroundings. However, unexpected rainfall led us to dry our soaked shoes near the comforting warmth of the bonfire.

Our journey continued to Dharamshala, where we marvelled at the scenic Dharamshala Cricket Stadium. Later, we enjoyed thrilling water sports at Pong Dam and joined the residents in a friendly game of volleyball. Accommodation in a college hostel provided insights into different living environments.

Our final day included exploration of the picturesque Pong Dam before departing for our school via Vande Bharat train, concluding an enriching and memorable educational tour. The tour provided invaluable learning experiences, from historical insights to outdoor adventures. It fostered teamwork, cultural appreciation, and personal growth among participants.

## **SNOWY ESCAPADES AND RIVER RAPIDS** **A GRADE XII ADVENTURE TO REMEMBER**

Our annual excursion commenced with boundless excitement as we departed from school to Chandigarh. Anticipation filled the air as we embarked on this thrilling journey. Upon reaching Manali, we wasted no time and headed straight to the iconic Mall Road, where we leisurely explored the bustling shops and eateries, soaking in the vibrant atmosphere. An unforgettable day awaited us at Solang Valley, despite an unexpected blizzard closing off the Atal Tunnel. We made the most of it with epic snowball fights, creative snowman-making competitions, exhilarating ATV rides, and even daring Bunjee Jumping!

The Snow Amusement Park added a touch of magic to our snowy escapade. Returning to Manali, we reflected on the incredible experiences of the past days, cherishing every moment spent amidst the snow-capped peaks and the warmth of friendship. A new adventure awaited us in Shimla as we embarked on a joyous river-rafting experience. The icy waters sent shivers down our spines, but the thrill of the ride left us exhilarated and craving more. As the excursion came to an end, we found ourselves tired but immensely content, our hearts brimming with beautiful memories of laughter, adventure, and camaraderie. Though the trip seemed to end too soon, the experiences we shared will remain etched in our minds forever.
