The Moon, The Stars & The Sagar School

Tue, 30 July 2024

At The Sagar School, students relish observing the galaxy of stars from its observatory. They immerse themselves in the wonders of the sky, learning and marveling at celestial mysteries. The observatory serves as a gateway to cosmic exploration, where each student finds inspiration and awe in the vastness and beauty of the universe above.

Continuous Assessment (CAS) Papers Re-Commenced

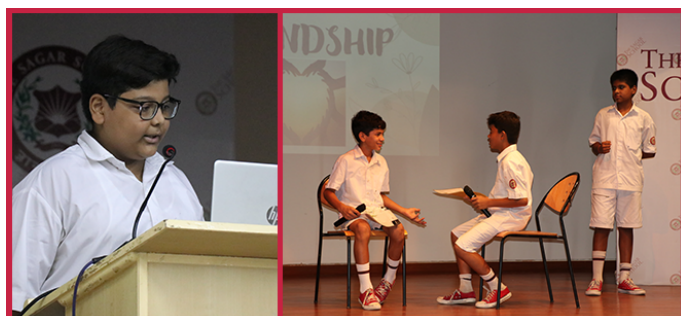

Tue, 30 July 2024

Continuous Assessment papers resumed on July 30, 2024, at The Sagar School. These assessments aim to monitor students' progress and evaluate their day-to-day academic performance, ensuring ongoing feedback and support for their learning journey. This continuous assessment approach fosters consistent improvement and readiness for academic challenges at The Sagar School.

Middle School Assembly Celebrates Friendship

Wed, 31 July 2024

The middle school celebrated the importance of friendship through a special assembly. The first skit depicted the mythological friendship of Krishna and Sudama, while the second highlighted the collaboration between India and Russia since 1950. The assembly concluded with a discussion on PM Modi's recent visit to Russia, emphasizing the strength of international friendships.
